

# CELEBRATING WORLD ENVIRONMENT DAY 2016

The Airports Authority of Trinidad and Tobago, in collaboration with SWMCOL, has declared Piarco International Airport a "no fly" zone for litter.

Over the next several weeks, SWMCOL will be working with the Airports Authority to establish a recycling programme at Piarco International Airport.

As a first step, and in commemoration of World Environment Day 2016 (June 05), SWMCOL staged a one-day promotional exhibit of its recently launched educational board game "Island Eco Trip" and Folio & Friends Eco-Activity and Colouring Book.

Airport workers and travellers were invited to play a tabletop version of the board game and to "Charlie Charlie Away". All participants were rewarded with samples of the board game and activity book.
